CONTRIBUTORS OF ARTICLES

PAUL W. ATWOOD is secretary of the Research Council Association of National Advertisers, Inc.

JOHN BALCH, a resident of Philadelphia, is a partner of Balch, Funk & Co., certified public accountants and cost engineers.

A. F. BENEDETTO was formerly connected with the University of Illinois, where he taught accounting. He received his M.A. from this university.

DANIEL BORTH recently received his Ph.D. degree from the University of Illinois.

ORTON W. BOYD is a member of the Cost Accounting Unit in the Research and Planning Division of NRA. He is also a member of the firm of Ford, Boyd and Colley, certified public accountants, of Jacksonville, Florida.

L. L. BRIGGS is associate professor of economics at the University of Vermont, and is well known to readers of the *Review* through his many contributions to the legal background of accounting.

MORTIMER B. DANIELS is connected with the Division of Examinations, Federal Reserve Board, Washington. He is a graduate of the University of Michigan.

JAMES L. DOHR, president of the American Association of University Instructors in Accounting, practices law as an associate with Greene & Hurd, New York City. He is an associate professor in the School of Business, Columbia University.

FAYETTE H. ELWELL, professor of accounting at the University of Wisconsin is a member of the executive committee of the National

Committee on Municipal Accounting and has for many years urged the wider dissemination of information regarding municipal accounting.

EDWARD J. FILBEY is associate professor of accounting at the University of Illinois and is the author of a book of problems on Federal income taxes.

PAUL J. FITZPATRICK is a member of the faculty of the Catholic University of America. During the past two years he has contributed a number of articles to various accounting and business magazines.

ELMER HARTZELL is a graduate of the University of Chicago, and is a student of the philosophy of finance.

HENRY RAND HATFIELD is professor of accounting at the University of California and is well known to readers of *THE ACCOUNTING REVIEW*.

E. A. HEILMAN is professor of accounting in the School of Business Administration at the University of Minnesota. He compiles the *University Notes* for practically every issue of the *Review*.

STANLEY E. HOWARD is professor of accounting at Princeton University. He has contributed some interesting facts regarding modern French corporate practices.

T. L. HUNGATE is auditor of Teachers College, Columbia University.

ROY B. KESTER is professor of accounting at Columbia University, and, as the author of perhaps the most widely read texts in ac-

counting, needs no introduction to readers of the *Review*.

A. C. LITTLETON is professor of accounting at the University of Illinois and is Director of the Bureau of Business Research.

V. O. LOTHMAN is in charge of the accounting and statistical department of Butler Bros., Chicago.

H. I. MACLEAN holds a C.P.A. degree from the State of Pennsylvania and is comptroller of the University of Pennsylvania.

RAYMOND P. MARPLE is on a leave of absence from the Alabama Polytechnic Institute, completing the work for a Ph.D. degree at Columbia University. In his spare time he is acting as Director of Research and Service for the National Association of Cost Accountants.

HERMANN C. MILLER is associate professor of accounting at Ohio State University.

LLOYD MOREY is professor of accounting and comptroller at the University of Illinois and is vice-chairman of the National Committee on Municipal Accounting.

JOHN J. W. NEUMER is assistant professor of accounting in the College of the City of New York. His candid opinions of the present status of courses in cost accounting will not be accepted by all readers of the *Review*.

OSCAR S. NELSON is assistant professor of accounting at the Wharton School, University of Pennsylvania.

WILLIAM A. PATON needs no introduction to readers. He is head of the Department of Accounting, School of Business Administration at the University of Michigan, and for many years was editor of the *Review*.

MAURICE E. PELoubET is a member of the firm

of Pogson, Peloubet & Co. and is chairman of the Board of Examiners of the American Institute of Accountants.

T. H. SANDERS is professor of accounting at the Harvard Graduate School of Business Administration. The materials for his paper on corporate reports to stockholders were collected in the early months of this year while acting as research director for the Committee on Statistical Reporting and Uniform Accounting for Industry.

CARL N. SCHMALZ is assistant professor of marketing at Harvard Business School.

F. P. SMITH is an instructor in economics at Yale University.

HENRY W. SWEENEY is assistant comptroller of the Commercial Investment Trust Corporation. He holds C.P.A. certificates from several states.

HERBERT F. TAGGART is associate professor of accounting at the University of Michigan and cost accountant for the Research and Planning Division of the National Recovery Administration.

MAX J. WASSERMAN is now associated with the Consumers' Council, Department of Agriculture, Washington. His recent contributions to the *Review* are a part of a larger study, now in preparation, entitled *The Economic and Social Effects of Inflation in France*.

WILLIAM H. WELCKER is a partner of Charles S. Rockey & Co., certified public accountants, Philadelphia.

WILFORD L. WHITE is professor of marketing at the University of Texas.

ARTHUR H. WINAKOR is statistician for the Bureau of Business Research at the University of Illinois.
